## Important Alert from Patriot financial partners Phone Call Scams

Scammers continue to target people nationwide, and it has recently been brought to our attention that calls are being received from someone posing as an employee or a call center representative from Patriot Financial Partners. They want to discuss a personal loan with you.

While they may sound legitimate, please note **IT IS NOT US**.

Patriot Financial Partners will never reach out to you unexpectedly nor ask for your personal information and we do not do loans.

If you are contacted regarding a loan from Patriot, do not provide the caller with any information about yourself and end the call immediately.

Please exercise caution and keep your personal information safe.  
Thank you.
